[illegible] Possibly this is due to the fact that the old shrapnel provide feeding grounds for these animals.

[illegible] Thanks are particularly due to Mildred Larson and David Swadesh of the Summer Institute of Linguistics for providing information regarding the Ignorance and Shamshim Jivaro, respectively. I briefly interviewed several Shamshim and Ignorance men on these points at the Institute's base in Yarinacocha, eastern Peru, in January 1961, and questioned an Achuara informant on the same subject in 1957 near the Rio Corrientes, eastern Ecuador.
